Notes

Sessions will be assigned and communicated on the day of Monday, September 14. Team assignments will be posted on Baumspage as well as SpartanInvite.com. They will also be emailed to the contact for your school listed on Baumspage.

It is our intent to place boys and girls from the same school in the same session.

It is important that your school has a good contact email listed on Baumspage as there will be much important communication to come.
